A **focus group** is when a group of people meet to talk about a topic.

This focus group is about the City of Ryde new **Disability Inclusion Action Plan**.

We will say **DIAP** for short.

This is a plan that says how City of Ryde will support people with disability to be part of things.

We will ask your ideas about how to make the City of Ryde area

- Easier for people with disability to get around and use
- Better for people with disability to be a part of things.

City of Ryde will use what you say to make their new DIAP.
